

## **Warehouse Supervisor Position**

There now exists an opportunity for a Supervisor to manage a team of colleagues, covering picking, packing and general warehouse roles – effectively deploying the available resource to achieve a daily workload.

Hours are 06.00- 14.00 Monday to Wednesday, 08.00 to 17.00 Thursday & Friday, but a degree of flexibility will be required with some occasional Saturday am working.

Competitive salary offered

Successful candidate should possess good computer skills – Excel, Word etc., whilst a basic knowledge of Health & Safety practices is also preferable.

The role is hands on, and as such the candidate must be physically fit. They must also have the ability to communicate effectively with colleagues and upper management.

An ability to motivate and implement company policies, whilst maintaining a productive & positive working environment, must be demonstrated by the successful candidate.

In time, the successful candidate will become responsible for the induction & training of new & existing colleagues on site.
